

Prof. Mohammad Hassan Emami
Curriculum Vitae

Name: Mohammad Hassan Emami Najafi Dehkordi

Academic title: Prof. Dr. med.

Date of birth: 6.3.1960

Place of birth: Isfahan/Iran

Nationality: Iranian

Office address:

Gastrointestinal and Hepatobiliary Diseases Research Center,
Poursina Hakim Research Institute for Health Care Development,
Sheikh Mofid Ave.

Isfahan, Iran.

P.O.Box:81465-1798

Tel: +98 - 31- 36640212 - 36640213

E-mail: mh_emami@med.mui.ac.ir & mh.emami1338@gmail.com

Website: www.poursinahakim.org

Education:

University education:

1999-2001 Subspecialty in Gastroenterology and Hepatology, Shiraz university of Medical Sciences, Iran

- 1989-1993** Specialty in Internal Medicine, Isfahan university of Medical Sciences, Iran
- 1982-1989** General Medicine, Isfahan university of Medical Sciences, Iran
- 1981-1982** Nuclear medicine technology, New York University Hospital, John Hopkins. USA
- 1980-1981** Biology, Rutgers University, New Jersey, USA
- 1979-1980** Engineering, Essex County College, Newark, New Jersey, USA
- 1978-1979** Engineering, Northeastern University, Boston, Massachusetts, USA

Pre-university education:

- 1974-1978** Neshat High School, Isfahan, Iran
- 1966-1974** Merat Jafari school, Isfahan, Iran
(Elementary and secondary schools)

Professional activities and scientific experiences:

- 2015-Present** Member of national board of internal medicine
- 2014-Present** Deputy director of academic affairs and international relations, Medical school, Isfahan university of medical sciences, Isfahan, Iran
- 2008-Present** Executive director, International Journal of Preventive Medicine
- 2006-Present** Member of editorial board, Iranian journal of Govaresh
- 1995 -Present** Faculty member of internal medicine department, medical school, Isfahan university of medical sciences
- 2006- 2010** Member of national board of internal medicine
- 2005-2007** Deputy director of research, Medical school, Isfahan university of medical sciences, Isfahan, Iran
- 1996-1999** pro-vice-chancellor of research, Isfahan university of Medical Sciences

Foundings:

- 2014** Establishment of Health Company with Comprehensive Medical Services In the field of gastrointestinal diseases (Soroosh Salamat company)
- 2013** Establishment of Medical Advance Science co. In the field of Health (MASIH company; This company is registered as a scientific innovative technical company the so called Danesh Bonyan by the year 2014)
- 2013** The National registration of Celiac Association and Development of its activities across Iran As the Iranian Association of Celiac
- 2007** Establishment of Cox Research Services company
- 2006** Establishment of Zenderood Medical Equipment Corporation -Razi Chemical
- 2005** Establishment of poursina hakim Farzanegan Publishing company
- 2004** Establishment of Iranian Celiac association
- 2003** Establishment of poursina hakim laboratory
- 2002** Establishment of poursina hakim research center and obtain the approval in- principle for the Gastroenterology poursina hakim research center from the chief of Development
- 2001** Establishment of poursina hakim clinic

**Medical
& Technical
innovations:**

- 2007** Improvement of ileal intubation technique to reach highest percentage of ileal intubation success rate at the time
- 2006** Adoption of a new endoscopic diagnostic criteria and prognostic scales for achalasia named Endoscopic Visual Scale for Diagnosis (EVS-Diagnosis; unpublished) and Endoscopic Visual Scale for Prognosis (EVS-Prognosis; published)
- 2006** TTS balloon dilation for a 4-year-old girl suffering from severe dysphagia due to epidermolysis bullosa deformitica for the first time in Iran and as one the pioneer centers in the world to use this technique for this complication. We now routinely use this treatment for referral patients in our center with excellent results.
- 1991** Placement of the first femoral and subclavian CVC in Isfahan for hemodialysis

Cultural and social activities:

- Establishment and construction of Baqerololum cultural center in Shahrekord with 3000 Square meters infrastructure
- Foundation of loan center in Poursina Hakim holding company to support members with an advance in case of emergency needs
- Founding an account for financial assistance to indigent patients based on charities
- Establishing a gluten free factory for patients suffering from celiac disease on the base of charities to produce good quality and low price diet and source of sustainable finance for development of Iranian Celiac Association in goals, services and expansion of celiac branches in different provinces (Currently, 18 provinces)
- Publication of “Haghighat nameh” (the truth letter), the poetry ethical educational book, effect of the deceased Ayatollah Mohammad Baqer Emami (my grandfather)
- Seven months attending the battlefield in the time of imposed war
- Being an active member of several charity centers working in different subjects for deprived people

Congress:

1- Healing the mind; healing the gut. A case report of hypnotherapy as an adjuvant for the management of inflammatory bowel disease. Mohammad Hassan Emami, Ali Gholamrezaei

1st psychosomatic congress . 2005;Isfahan, Iran

2-Effect of Ramadan fasting on acute upper gastrointestinal bleeding due to peptic ulcer.

Emami,MH – Rahimi. *5th iranian congress of gastroenterology and hepatology. 2005; Iran*

3-Celiac disease in children with FTT in Isfahan. Emami MH, kouhestani S, hashemipour M,Raisi M,Shams A,Kazemi A. *5th iranian congress of gastroenterology and hepatology. 2005; Iran*

4-Determination of barium Enema Sensitivity and Specificity for the diagnosis large Bowel diseases.

Emami,MH ,HakimianN,Hakimian MR,Basiratnia R. *5th iranian congress of gastroenterology and hepatology. 2005; Iran*

5-Is Routine Duodenal Biopsies justified in any patient having Upper Gastrointestinal Endoscropy ?

Dr.Emami ,Dr.Karimi Dr. Kouhestani , Dr.Baghaei , Dr.Adibi , Dr.mokarian , Dr.Raesi. *5th iranian congress of gastroenterology and hepatology. 2005; Iran*

6-Value of Endoscopic Markers in Diagnosis of Celiac Disease. Dr.Emami ,Dr.Karimi Dr. Kouhestani

, Dr.Shavakhi, Dr.Tavakoli , Dr.Daghighzadeh , Dr.Jamali. *5th iranian congress of gastroenterology and hepatology. 2005; Iran*

7-Endoscopic Visual Scales Is A Reliable Index Of Prognosis After Achalasia Balloon Dilation Therapy.Dr emami - haghghi - daghighzadeh - adibi – farajzadegan. *5th iranian congress of gastroenterology and hepatology. 2005; Iran*

8-Where does hypnotherapy stand in the management of irritable bowel syndrome? A systematic review. Gholamrezaei A,Ardestani SK, Emami MH,Aslani A,SoleimaniB,Shahsavari KH.

5th iranian congress of gastroenterology and hepatology. 2005; Iran

9-Balloon dilation therapy in pediatric Esophageal stricture. Emami MH,Riazi B,Vosooghi AA.

5th iranian congress of gastroenterology and hepatology. 2005; Iran

10-Celiac disease,complicatations,mortality and cause of Death ,A3-Year follow up in Isfahan.

.EmamiMH , KouhestaniS, Adibi P, .Karimi, Raesi M, Dehghannejad H,Tavakoli H, Baghaei Am,Farajzadegan Z,Talebi M,Rahmani A,ShavakhiA,rahimian GhA,Rogha M, JamaliN,Amini J.

5th iranian congress of gastroenterology and hepatology. 2005; Iran

11-Frequency of celiac disease in irritable Bowel syndrome. Emami MH, kouhestani S ,daghighzadeh H, hashemi, M,Rais. *5th iranian congress of gastroenterology and hepatology. 2005; Iran*

12-Diagnostic accuracy of IgA anti-tissue transglutaminase in patients suspected of having coeliac disease in Iran. Mohammad Hasan Emami, Somayeh Karimi. *5th iranian congress of gastroenterology and hepatology. 2005; Iran*

13-Effect of Imipramine on severity of inflammatory Bowel disease (IBD),a double blind control study. Emami MH,Masjedi M. *5th iranian congress of gastroenterology and hepatology. 2005; Iran*

14- Anti-Tissue transtaminase IgA antibody in screening for Celiac Disease:Disappointing in clinical practice. kouhestani S ,Emami MH, Gholamrezaei A, Farajzadegan Z, Karimi, Baghaei Am *6th iranian congress of gastroenterology and hepatology. 2006; Iran*

15- Common presentations and clinical classification in a series of celiac patients in Iran. emami, kouhestani, adibi, hashemipour, daghaghzadeh. *5th iranian congress of gastroenterology and hepatology. 2005; Iran*

16- Peutz-Jeghers syndrome with bilateral breast and ovarian cancer (case report).

Taheri D, Afshar N,Mahzoni P,Emami MH,Fesharakizadeh M,Ghasem-basir MH. *21st European congress of pathology September 8-13, 2007.Turkey*

17- Healing the mind; healing the gut. A case report of hypnotherapy as an adjuvant for the management of inflammatory bowel disease. Mohammad Hassan Emami, Ali Gholamrezaei *6th iranian congress of gastroenterology and hepatology. 2006; Iran*

18- Safety and efficacy of new glyceryl trinitrate suppository formula: first double blind placebo-controlled clinical trial. Emami MH, Sayedyahosseini S, Aslani A. *6th iranian congress of gastroenterology and hepatology. 2006; Iran*

19- Frequency of Microscopic colitis in diarrhoea predominant Irritable Bowel Syndrome patients, Tavakkoli, Hamid; Sheikh Esmaeili, Farshad; Emami, Mohammad Hasan; Mahzouni, Parvin; *6th ICGH 2006, Mashhad, Iran,*

20- Frequency of celiac disease among epilepsy in Isfahan.

Emami mh,Taheri H,chitsaz A,Etamadifar M. *6th iranian congress of gastroenterology and hepatology. 2006; Iran*

21- Validation of a non invasive salivary test for the diagnosis of helicobacter pylori infection.

Daghaghzadeh H,Salehi MR, Emami MH,Hosseini Sh. *6th iranian congress of gastroenterology and hepatology. 2006; Iran*

22-Compering esophagomyotomy and pneumatic balloon dilation for achalasia; Isfahan, 2006

Emami MH,RaisiM,Tabatabaei A,Hashemi M,HaghighiM,fudeM. *6th iranian congress of gastroenterology and hepatology. 2006; Iran*

23- Endoscopic visual scales is a reliable index of prognosis after achalasia balloon dilation therapy.

Emami,haghaghi,daghaghzadeh, adibi,farajzadegan. *world congress of gastroenterology. 2005; canada*

24-Efficacy of sucralfate enema in solitary rectal ulcer syndrome

H Tavakkoli, M Adibi, P Emami MH, MahzouniP; Farshidfar F. *Digestive Disease Week (DDW) 2008. 2008; San Diego, California, USA,*

25-Effects of fasting during Ramadan on inflammatory bowel disease,

Tavakkoli H, Emami M H, Haghani S, Adilipour H; Tavakkoli M. *UEGW 2007. 2007; Paris, France*

26-Formulation and physicochemical evaluation of herbal anti hemorrhoid ointment for the treatment of internal anal hemorrhoids. A. Aslani, M.H. Emami, A. Ghannadi, M. Ajdari *IPSC 2008.*

27-One - Week Verus , Two -week Furazolidone -Based Quadruple Therapy as the First Line Treatment for Helicobacter pylori infection. Dr.Daghaghzadeh , Dr.Emami , Dr.Karimi. *World Congress of Gastroenterology. 2005*

28-Endoscopic Visual Scales Is A Reliable Index Of Prognosis After Achalasia Balloon Dilation Therapy. Dr emami - haghghi - daghaghzadeh - adibi – farajzadegan. *World Congress of Gastroenterology. 2005;*

29-Are Endoscopic Findings Predictive For The Presence Of H.Pylori Infection? What About Indirect Histologic Findings? Dr emami mh,taheri h,esmaeili a ,tavakoli. *World Congress of Gastroenterology. 2005;*

30-Formulation and a Pilot Clinical Trial of Three Glyceryl Trinitrate Suppositories for the Treatment of Chronic Anal Fissure. Aslani, A., Emami, S.M.H., Tavakoli, N., Asadi, F. *World Congress of Gastroenterology. 2005;*

31-Formulation and Phase I Clinical Trial of an Herbal Ointment for the Treatment of Internal Anal Hemorrhoids. Aslani, A., Emami, S.M.H. , Ghannadi, A., Ajdari, M. *World Congress of Gastroenterology. 2005;*

32-Formulation and Evaluation of Physicochemical Properties of nitroglycerin Suppositories
A. Aslani, N. Tavakoli, S.M.H.Emami, F. Asadi. *The 9th Congress of Iranian Pharmaceutical Sciences. 2004*

33-Formulation of an Herbal Ointment from Quercus, Black cumin and fenugreek and it's Clinical Evaluation for the Treatment of Hemorrhoids. Dr. A. Aslani, Dr. A. Ghanadi, Dr. S.M.H. Emami, M. Ajdari. *The 10th Seminar of Iranian Pharmacy Students. 2004*

34-Formulation of Nitroglycerin Suppository for the Treatment of Anal Fissure
Dr. Abolfazl Aslani, Dr. S.M.H. Emami. *The 4th International Congress of Gastroenterology and Hepatology. 2004 Iran*

35-Preparation and evaluation of physicochemical properties of glyceryl trinitrate suppositories in the treatment of anal fissure. A. Aslani, N. Tavakoli, S.M.H.Emami, F. Asadi. *The 4th International Postgraduate Research Symposium on Pharmaceutics. 2004*

36-One - Week Verus , Two -week Furazolidone -Based Quadruple Therapy as the First Line Treatment for Helicobacter pylori infection . Dr.Daghaghzadeh , Dr.Emami , Dr.Karimi. *The 4th International Postgraduate Research Symposium on Pharmaceutics*

37-Ferquency Of Esophageal Disorders In 1169 Endoscopic Finding Esfahan – Iran. Dr. Emami - Dr.Hasani. *The 4th International Postgraduate Research Symposium on Pharmaceutics*

38-Is There Any Association Between Age , Gender , H , Pylori Infection And Gastroesophageal Reflux Disorder In Iran. Dr. emami - Dr. marziye Hashemi. *The 4th International Postgraduate Research Symposium on Pharmaceutics*

39-Where does hypnotherapy stand in the management of irritable bowel syndrome? A systematic review. Gholamrezaei A,Ardestani SK, Emami MH. *The 4th International Postgraduate Research Symposium on Pharmaceutics*

40- Celiac disease in children with FTT in Isfahan. Emami MH, kouhestani S, hashemipour M,Raisi M,Shams A,Kazemi A. *XII International celiac disease Symposium 2006; New York*

41- Is Routine Duodenal Biopsies justified in any patient having Upper Gastrointestinal Endoscopy ? Dr.Emami ,Dr.Karimi Dr. Kouhestani , Dr.Baghaei , Dr.Adibi , Dr.mokarian , Dr.Raesi .*XII International celiac disease Symposium 2006; New York*

42 -Value of Endoscopic Markers in Diagnosis of Celiac Disease. Dr.Emami ,Dr.Karimi Dr. Kouhestani , Dr.Shavakhi, Dr.Tavakoli , Dr.Daghighzadeh , Dr.Jamali. *XII International celiac disease Symposium 2006; New York*

43- Frequency of celiac disease in irritable Bowel syndrome. Emami MH, kouhestani S ,daghighzadeh H, hashemi, M,Rais. *XII International celiac disease Symposium 2006; New York*

44 The Epidemiology Of Nonhereditary Colorectal Cancer In Isfahan Province. Emami mh,nemati.a,kazemi z. *The 7th International Congress of Gastroenterology and Hepatology. 2007 Iran*

45--colorectal neoplasm and nutrition. Emami mh,adeli m.*The 7th International Congress of Gastroenterology and Hepatology. 2007 Iran*

46- How frequent is celiac disease among epileptic patients? mami.mh,Taheri.h,Chitsaz.A,Etemadifar M. *The 7th International Congress of Gastroenterology and Hepatology. 2007 Iran*

47- Effects of fasting during Ramadan on inflammatory bowel disease, Tavakkoli H, Emami M H, Haghani S, Adilipour H; Tavakkoli M. *The 7th International Congress of Gastroenterology and Hepatology. 2007 Iran*

48-Risk factor of ERCP therapy failure in CBD stones. RezaeeZ,EmamiMH,PooshangbagheriK,AdhamianP,javaniM,gholamianE,pourmorshedP,jamali N,riaziB,daghighzadeh H,soleimaniM,vosooghAA. *The 7th International Congress of Gastroenterology and Hepatology. 2007 Iran*

49-A new approach to gastrointestinal bleeding control of blue rubber bleb nevus syndrome

Emami.MH,Haghdani.S,Mahzouni.P. *The 7th International Congress of Gastroenterology and Hepatology. 2007 Iran*

50-Views of Iranian gastroenterologists and internists to hypnotherapy as a tool in management of irritable bowel syndrome.

Emami.mh,Gholamrezaei.A,DaneshgarH. *The 7th International Congress of Gastroenterology and Hepatology. 2007 Iran*

51-helicobacter pylori eradication using sucrose for gastric emptying delay.

Emami Mh,shirmohamadi,daghighzadeh h,farajzadegan z. *5th iranian congress of gastroenterology and hepatology. 2005; Iran*

52-Laposcopic Cholecystectomy and ERCP cooperation for pancreatobiliary tree.

MH.Emami , B.Riazi.

53-Annular pancreas Associated with Pancreaticolithiasis: A case Report.

Emami MH, Adilipour H, Javani M, Gholamian E, Adhamian P, PourMorshed P, Rezaei Z, Vosoughi A.A, Riazi B, Golmohamamadi P, Momenzadeh M, Rahimi H, jamali N, Ehsan F. *The Second Iranian Congress on Pancreatobiliary Disease 2008.*

54-Effects of Fasting During Ramadan On Inflammatory Bowel Disease.

Tavakoli H,Emami MH, Haghdani S, Adilipour H, Tavakoli M. *Iranian Congress of Gastroenterology and Hepatology. 2007*

55-Prevalence of Congenital Pancreatic Anomalies, in an ERCP Center.

Emami MH,Javani M, Adilipour H, Gholamian E, Adhamian P, PourMorshed P, B.Riazi, A.A. Vosoughi, Z.Rezaei, P.Golmohamamadi, H.Rahimi, N.jamali,F.Ehsan. *The Second Iranian Congress on Pancreatobiliary Disease 2008*

56-Comparision Two Stone Extarction Instrument of ERCP Basket & Balloon.

E.Gholamian, MH.Emami, P.PourMorshed, M.Javani, P.Adhamian, Rezaei Z, Adilipour H, Riazi B,Vosoughi A.A, Golmohamamadi P, Rahimi H, jamali N, Ehsan F. *The Second Iranian Congress on Pancreatobiliary Disease 2008.*

57-Establishing New ERCP Center: Success & Risks.

Emami MH, Adhamian P, Gholamian E, Javani M, PourMorshed P, Rezaei Z, Adilipour H, Riazi B,Vosoughi A.A, Golmohamamadi P, Rahimi H, jamali N, Ehsan F. *The Second Iranian Congress on Pancreatobiliary Disease 2008*

58- A Case of myeloproliferative disorder presenting as autoimmune hepatitis and splenic vein thrombosis. Adilipour H, Emami MH, Basi A. *The 8th Iranian Congress of Gastroenterology and Hepatology. 2008 Iran*

59- Autoimmune pancreatitis with pancreatic Mass :A case report. Golmohammadi P, Pourshams A, Emami MH, Adilipour H. *The 8th Iranian Congress of Gastroenterology and Hepatology. 2008 Iran.*

60- Prevalence of Biliary and Gallbladder Anomalies, in an ERCP Center. Emami MH, Javani M, Adilipour H, Gholamian E, Adhamian P, PourMorshed P, B. Riazi, A.K. Vosoughi, Z. Rezaee, P. Golmohammadi, H. Rahimi, N. Jamali, F. Ehsan. *The 8th Iranian Congress of Gastroenterology and Hepatology. 2008 Iran.*

61- The evaluation of MLH1 and MSH2 genes mutation spectrum in HNPCC patients in Isfahan province. Amani Sh, Salehi M, Emami MH. *The 8th Iranian Congress of Gastroenterology and Hepatology. 2008 Iran*

62- Relation between physical activity and colorectal cancer :A population-based case –control study. Golshiri P, Emami MH, Rasooli S. *The 8th Iranian Congress of Gastroenterology and Hepatology. 2008 Iran*

63- Cost effectiveness analysis of different types of colorectal cancer screening methods.

Allameh Z , Davari M, Emami MH. *The 8th Iranian Congress of Gastroenterology and Hepatology. 2008 Iran*

64- Three years liver follow up in celiac patients. Kouhestani S, Emami MH, Saneian H, Tavakoli H, Adibi P, Daghighzade H, Gholamrezaei A, Shavakhi A, Khademi M. *The 8th Iranian Congress of Gastroenterology and Hepatology. 2008 Iran*

65- Simethicone prior to upper gastrointestinal endoscopy. Ahsan Isfahani M, Babaei L, Gholamrezaei A, Emami MH. *The 8th Iranian Congress of Gastroenterology and Hepatology. 2008 Iran*

66- Acetaminophen codeine as a premedication for colonoscopy. Ahsan Isfahani M, Babaei L, Gholamrezaei A, Emami MH. *The 8th Iranian Congress of Gastroenterology and Hepatology. 2008 Iran*

Founding and planning:

Problem based learning in Navvab center and Feiz hospital

Executer

Place: Isfahan

My position: planner and Executor

Sayyedolshohada autologous bone marrow transplantation center.

Collaborator

Place: Isfahan

My position: Executor

Community based research and education center of NAVVAB .

Executer

Place: Isfahan

My position: Executor

Educational technology center of IUMS.

Executer

Place: Isfahan

My position: planner and Executor

Establishing poursina hakim institute.

Place: Isfahan

My position: establisher and head of manager's committee of the company

Establishing Iranian Celiac association (NGO)

Place: Isfahan

My position: establisher and head of the manager's committee of the NGO

Research Projects:

۱- اپیدمیولوژی ، تشخیص ، مدیریت و کنترل پروژه بیماری سلیاک

Epidemiology, Diagnosis, Management and Control Project of Celiac disease.

دکتر امامی ،دکتر جانقربان ، دکتر امینی ، دکتر هاشمی پور ، دکتر مکاریان ، دکتر آذرم ، دکتر دقاق زاده ، دکتر توکلی ، دکتر ادیبی ، دکتر رحیمیان ، دکتر ریاضی ،دکنترارج ، دکتر تقوی ، دکتر کریمزاده ، دکتر متقی ، دکتر بنکدار ، دکتر اعتمادی فر ، دکتر شمس ، دکتر کاظمی ، دکتر سالک ، دکتر قهیری ، دکتر مردانیان ، دکتر مسائلی ، دکتر آرام ، دکتر علامه ، دکتر احمدی ، دکتر شهشهان ، دکتر روغنی ، دکتر کوهستانی

March 20, 2004 - March 21, 2005

Project type: Applied. My position: head of the project.

Approving authority: Isfahan university medical science

۲- تهیه و ارزیابی خواص فیزیکوشیمیایی شیاف نیتروگلیسرین در درمان **anal fissure**

Preparation and evaluation of physicochemical properties of glycerol Trinitrate - for treatment of anal fissure

دکتر ابوالفضل اصلانی، دکتر محمدحسن امامی ، دکتر ناصر توکلی ، دکتر فیروزه اسدی

March 21, 2003 - March 20, 2004

Project type: Applied. My position: Scientific and Executor collaboration.

Approving authority: Isfahan university medical science

Project ID: 82019

۳- بررسی توزیع فراوانی انواع مختلف میکروبیها در کشتهای ادراری ومدفوع وتعیین الگوی حساسیت دارویی (آنتی بیوگرام) آنها در بیمارستانهای اصفهان

Prevalence of position microbacteria infections in urine and stool cultures and their antibiogram in hospital of Isfahan university 1995-1960

Dr.M.H emami, Dr Elham Moazam

May 22, 2001 - June 22, 2001

Project type: Applied. My position: Scientific Executor.

Proving authority: Isfahan university medical science

Project ID: 78103

۴- بررسی توزیع فراوانی برخی از عوامل خطر شناخته شده در بیماران مبتلا به انسدادهای وریدی و شریانی شبکه در دانشگاه علوم پزشکی اصفهان - ۷۸-۷۹

Frequency distribution of some of the Known risk factors for retinal vascular occlusions in Isfahan medical university

فرهاد فاضل (استاد راهنما) - دکتر مژگان کریمی فر - دکتر مهران وثوقی

March 21, 1999 - March 20, 2000

Project type: Applied. My position: Scientific Executor.

Approving authority: Isfahan university medical science

Project ID: 78246

۵- اصفهان- تیرماه ۷۸ بررسی وضعیت کیفی سرویس دهی اورژانس بیمارستان الزهرا(س) به بیماران مراجعه کننده به این مرکز

Evaluation of Quality of services to the patients in Alzahra hospital emergency room.

Isfahan -1999

Dr.MH.Emami, M. R.Gharaati Kopaei, M Mohamadi Sichani, HR Abtahi Froshani

June 22, 1998 - March 21, 1999

Project type: Applied. My position: Scientific Executor.

Approving authority: Isfahan university medical science

Project ID: 78106

۶- بررسی نگرش و آگاهی کارورزان از دروس و سوالات امتحان جامع علوم پایه دانشگاه علوم پزشکی اصفهان ۱۳۷۷ -

-Evaluation of knowledge and attitude of interns about medical science exams in Isfahan University of medical science

دکتر امامی-دکتر مجید رسولی نژاد

March 21, 1997 - March 21, 1998

Project type: Applied. My position: Scientific Executor.

Approving authority: Isfahan university medical science

۷- بررسی عوارض دیررس گازهای شیمیایی در جانبازان استان اصفهان (عوارض قلبی - عروقی)
دکتر بیژن ابراهیمی (نظارت) - دکتر فرشاد روغنی

Evaluation of late onset cardiovascular complications of war chemical gasses – Isfahan.

May 22, 1991 - October 23, 1992

Project type: Applied. My position: Scientific Executor.

Approving authority: Isfahan university medical science

۸- بررسی رابطه غذاهای سردی و گرمی با شدت افسردگی

Relationship between consumption of sympathetic and parasympathetic food activators with severity of depression

دکتر قربانعلی اسدالهی (استاد راهنما) – دکتر فرشته شکیبائی

September 23, 1990 - May 22, 1991

Project type: Basic. My position: Scientific collaboration

Approving authority: Isfahan university medical science

۹- تعیین مقاومت مجاری هوایی ریوی در مبتلایان به سندروم روده تحریک پذیر در مقایسه با افراد سالم بیمارستان الزهرا، کلینیک بامداد- سال ۸۴-۱۳۸۳.

Determination of Pulmonary Air Way Resistance in IBS Patients in Comparison with Healthy

People

Dr.Golshan,Dr.Amra,Dr.Emami,B.Doroshi

Project type: Applied. My position: Scientific collaboration and Execution.

Approving authority: Isfahan university medical science

Project ID: 83454

Evaluation of causes and risk factors of atherosclerosis

Dr Mohamad farhad, Dr Farshad Roghani

January 1, 1988 - June 1, 1988

Project type: Applied. My position: Scientific and Executor collaboration

Approving authority: Isfahan university medical science

۱۱- تاثیر تجویز هپارین وریدی ۵۰۰۰ واحد هر ۶ ساعت بر مورتالیتی و موربیدیتی کوتاه مدت داخل بیمارستانی بیماران

مبتلا به آنژین ناپایدار و انفارکتوس بدون موج Q صرف نظر از میزان و تغییرات PTT.

Effect of intravenous heparin on short term hospital mortality and morbidity in stable angina and nonQ wave MI.

Dr. Mohamad Hassan Emami –Mostafa Hekmat

Project type: Applied. My position: head of the project.

Approving authority: Isfahan university medical science

Project ID: 77009

GERD and its impact on the severity of the RESPIRATORY DISORDERS among patients with MUSTARD EXPOSURE in Isfahan 1384 - 1385

Dr. Mohamad Hassan Emami –Dr.mohammad talaei

Project type: Applied. My position: head of the project.

Approving authority: Isfahan university medical science

Theses Supervision:

1-Efficacy of Herbal Ointment in Treatment Of Internal Anal Hemorrhoids 2006.

تهیه و ارزیابی فیزیوشیمیایی و بالینی پماد تهیه شده از *Trigonella Foenum- graecum L.*, *Quercus Brantii L.*, *Nigella Sativa L.* در درمان هموروئید (درجه ۱ و ۲)

Dr.MH. Emami,mahdi ajdari

Research thesis. My position: Supervisor

Level: Pharm.

Place: Isfahan University of Medical Science, poursina hakim institute

2- Evaluation of Frequency Distribution of Effects and Complications of Treatment in Achalasia After Surgical Myotomy and Pneumatic Dilatation 2006

بررسی توزیع فراوانی اثرات درمانی و عوارض بیماران مبتلا به آشالازی بعد از دو روش درمانی میوتومی جراحی و دیلاتاسیون پنوماتیک در شهر اصفهان در سال ۱۳۸۴

Dr. Hashemi, Dr. Tabatabaiee, Dr. Emami, mahdi fodeh

Research thesis. my position: Supervisor

Level: MD

Place: Isfahan University of Medical Science, poursina hakim institute

3- Predicting the Prognosis of Balloon Dilation Therapy In Achalasia Patient Using A Novel Visual Scale. 2002 – 2004 .2006

Dr MH. emami, mehran haghghi

Research thesis. my position: Supervisor.

Level: MD.

Place: Isfahan University of Medical Science, poursina hakim institute

4- Designing, a validate and reliable self administrated questionnaire for outpatients gastroenterology clinic. 2004

بررسی روایی و پایایی پرسشنامه خود ابقاء برای بیماران مراجعه کننده به کلینیک بیماریهای گوارشی

Dr MH. Emami,S.kohestani

Research thesis. My position: Supervisor.

Level: MD

Place: Isfahan University of Medical Science

5- Comparison the prevalence of psychological disorders in internal medicine clinic and organic disorders in psychological clinic. 1996

Dr MH. Emami ,Dr.Mirsae

Research thesis. My position: Supervisor.

Level: MD.

Place: Isfahan University of Medical Science

6- Comparative Evaluation of Frequency Distribution of Ulcerative Colitis in Multiple Sclerosis Patient and General Population.

بررسی مقایسه‌ای نسبی ابتلا به کولیت اولسر در بیماران مبتلا به MS و جمعیت عادی

Dr.Etemadifar, Dr.Emami ,Dr.Chitsaz, N.ashkboos

Research thesis. My position: Supervisor.

Level: MD

Place: Isfahan University of Medical Science, poursina hakim institute

7- Comparison between calculated risk of surgery by Goldman method and post surgical mortality

بررسی مقایسه‌ای میزان ریسک تعیین شده قبل از عمل جراحی با میزان مرگ و میر ایجاد شده بعد از عمل در بیماران مشاوره شده با

روش گلدمن در بیمارستان فیض از خرداد ۱۳۷۴ تا خرداد ۱۳۷۶

Dr.MH.Emami,A.fazel,p.fazel

Research thesis. My position: Supervisor.

Level:MD

Place: Isfahan University of Medical Science

8- Determination of Pulmonary Air Way Resistance in IBS Patients in Comparison with Healthy People

تعیین مقاومت مجاری هوایی ریوی در مبتلایان به سندروم رودتحریک پذیر در مقایسه با افراد سالم بیمارستان الزهراء، کلینیک بامداد- سال ۱۳۸۳-۸۴.

Dr.golshan,Dr.amra,dr emami,B.doroshi

Research thesis. my position: Supervisor.

Level: Internal medicine specialty

Place: Isfahan University of Medical Science, poursina hakim institute

9- Evaluation of knowledge and attitude of interns about medical science exams in Isfahan University of medical science

بررسی نگرش و آگاهی کارورزان از دروس و سئوالات امتحان جامع علوم پایه دانشگاه علوم پزشکی اصفهان، تابستان ۱۳۷۷

Dr.MH.Emami, M .Rasolinejad

Research thesis. My position: Supervisor.

Level: MD

Place: Isfahan University of Medical Science

10- Evaluation of Correlation between Diet Habits and the Colorectal Cancer Risk in Isfahan Population in 2004-2006.

بررسی ارتباط بین عادات غذایی و خطر ابتلا به نئوپلاسم کولورکتال در جمعیت اصفهان سال ۱۳۸۳-۱۳۸۵

Dr.MH. Emami, M.adeli

Research thesis. My position: Supervisor.

Place: Isfahan University of Medical Science, poursina hakim institute

11- Evaluation of Effects of Multiple-Point Variance Analysis and its Utilization in Evaluation of Effects of T.N.G Suppository in Treatment of Chronic Anal Fissure

Dr.Soleimani, Dr.MH.Emami,KH.shahsavari

Research thesis. My position: Scientific consultation.

Level: MS of statistics

Place: Isfahan University of Medical Science, poursina hakim institute

12- Comparing two methods of Helicobacter Pylori eradication regimen with and without Gastric emptying delay by 10% Sucrose Solution.

بررسی تاثیر تاخیر فیزیولوژیک معده با استفاده از محلول سوکروز ۱۰ درصد در ریشه‌کنی میکروب هلیکوباکتر پیلوری

Dr .MH.Emami,Dr.H.Daghighzade

Research thesis. My position: Supervisor.

level: MD

place: Isfahan University of Medical Science, poursina hakim institute

13- Evaluation of etiology and risk factors of Atherosclerosis

بررسی علل و ریسک فاکتورهای آترواسکلروز "علائم بالینی" آزمایشگاهی و الکتروکاردیوگرافی در بیماریهای عروق کرونر انفارکتوس حاد میوکارد و مقایسه با اطلاعات موجود در کتب رفرائنس و مقالات مربوطه در مجلات کاردیولوژی

Dr farhad,MH.Emami,F.Roghani

Research thesis. my position: executor

level: My MD thesis

14- Evaluation of Frequency Distribution of GI Bleeding and Therapeutic methods in Al-Zahra Hospital in 1997.

بررسی توزیع فراوانی علل خونریزی گوارشی و روشهای درمانی انجام شده در بیماران بستری شده در بیمارستان الزهرا اصفهان در سال ۱۳۷۷

Dr.MH.Emami,A.afshari

Research thesis. my position: Supervisor.

level: Internal medicine specialty

place: Isfahan University of Medical Science

15- Evaluation of Frequency Distribution of Helicobacter Pylori Infection in Diabetic Children and the Treatment Efficacy in them in Amin Hospital in 2003

. بررسی فراوانی نسبی عفونت هلیکوباکتر پیلوری در کودکان دیابتی مراجعه کننده به مرکز دیابت بیمارستان امین و بررسی تاثیر درمان در آنها در سال ۱۳۸۱

Dr.Shams,Dr.Hashemipour,Dr Emami,Dr.Abdeyazdan ,h.saadat

Research thesis. my position: Scientific collaboration, second Supervisor.

Level: pediatric specialty

place: Isfahan University of Medical Science

16- Evaluation of Frequency Distribution of Some Known Risk Factors in Vascular Retinal

Occlusion Patients in Isfahan University of Medical Science in 1997-1999 Dr.MH. Emami,Dr.fazel,

M.karimifar,M.vosoghi

بررسی توزیع فراوانی برخی از عوامل خطر شناخته شده در بیماران مبتلا به انسدادهای عروقی شبکیه در دانشگاه علوم پزشکی

اصفهان سال ۷۸-۷۹

Research thesis. my position: Supervisor.

Level: Internal medicine specialty

place: Isfahan University of Medical Science

17- Evaluation of Frequency of Infectious Micro-Organisms in Urine and Stool Cultures and the Modules of Antibiotic Sensitivity

Dr.MH.Emami,E.moazam

بررسی توزیع فراوانی انواع مختلف میکروبها در کشت‌های ادراری ومدفوع وتعیین الگوی حساسیت دارویی (آنتی بیوگرام)آنها در

بیمارستانهای اصفهان

Research thesis. my position: Supervisor.

Level: MD

place: Isfahan University of Medical Science

18- Evaluation of Geographical Distribution of Colorectal Cancer in Isfahan

بررسی تراکم جغرافیایی سرطان کلورکتال و مرگ و میر ناشی از آن در استان اصفهان طی ۷ سال (۱۳۷۵-۸۲).

Dr.MH.Emami,Dr.Z.Farajzadegan,L.salamati

Research thesis. my position: Supervisor.

Level: MD

place: Isfahan University of Medical Science

19- Drug related hospital admissions secondary to problems caused by drugs in hospitals of Isfahan University of medical sciences

بررسی فراوانی نسبی پذیرشهای بیمارستانی ناشی از مشکلات وابسته به دارو در بیمارستانهای آموزشی دانشگاه علوم پزشکی اصفهان

در سال ۱۳۷۴

Dr.MH.Emami,Dr zargarzade,F. Hosseini

Research thesis. my position: Scientific collaboration, second Supervisor.

Level: Master

place: Isfahan University of Medical Science

20-Evaluation of Quality of services to the patients in Alzahra hospital emergency room. Isfahan-Iran.1999

. بررسی وضعیت کیفی سرویسدهی اورژانس بیمارستان الزهرا (س) به بیماران مراجعه‌کننده به این مرکز اصفهان- تیر ماه ۷۸

Dr.MH.Emami, M. R.Gharaati Kopaei, M Mohamadi Sichani, HR Abtahi Froshani

Research thesis. My position: Supervisor.

Level: MD

Place: Isfahan University of Medical Science

21- Preparation and Evaluation of Physicochemical and Clinical Properties of ointment from Trigonella foenum - graecum I quercus brantii L nigella sativa I in treatment of hemorrhoid

Dr.A.Asiani,Dr Ghannadi ,Dr.MH.Emami

Research thesis. My position: Scientific collaboration, third advisor

Level: Pharm. D

Place: Isfahan University of Medical Science, poursina hakim institute

22- The Epidemiology of Nonhereditary Colorectal Cancer in Isfahan Province

DR. Emami mh,nemati.a,kazemi z

Research thesis. My position: Supervisor.

Level: Internal medicine specialty.

Place: Isfahan University of Medical Science, poursina hakim institute

23- Frequency distribution of some of the Known risk factors for retinal vascular occlusions in Isfahan medical university

Dr.MH.Emami,Dr fazel,Dr karimi far, Dr vosooghi

Research thesis. My position: Supervisor.

Level: Internal medicine specialty

Place: Isfahan University of Medical Science

24- Therapeutic effect of Nadiclofenac on asthma

Dr.MH.Emami, taheri

Research thesis. My position: Supervisor.

Level: MD

Place: Isfahan University of Medical Science

25- Quality Of Life in Patients With Colorectal Cancer In Isfahan 2006 - 2006

Dr.MH.Emami,fattane gholami

Research thesis. My position: Supervisor.

Level: MD

Place: Isfahan University of Medical Science, poursina hakim institute

26-Preparation and evaluation of physicochemical properties of glycerol Trinitrate - for treatment of anal fissure

Dr .A.Asiani,Dr.M.H .Emami, Dr .Tavakoli, Asadi

Research thesis. My position: second Supervisor.

Level: MD

Place: Isfahan University of Medical Science, poursina hakim institute

27-Safety and efficacy of new glyceryl trinitrate suppository formula: first double blind placebo-controlled clinical trial.

Dr. MH. Emami,Dr. A .Asiani, Sayedyahosseini S

Research thesis. My position: Supervisor.

Level: MD

Place: Isfahan University of Medical Science, poursina hakim institute

28- Effect of intravenous heparin on short term hospital mortality and morbidity in stable angina and nonQ wave MI.

تأثیر تجویز هپارین وریدی ۵۰۰۰ واحد هر ۶ ساعت بر مورتالیتی و موربیدیتی کوتاه مدت داخل بیمارستانی بیماران

مبتلا به آنژین ناپایدار و انفارکتوس بدون موج Q صرفنظر از میزان و تغییرات PTT.

Dr. Mohamad Hassan Emami –*Mostafa Hekmat*

Research thesis. my position: Supervisor.

Level: MD

Place: Isfahan University of Medical Science

29- Effect Of Imipramine On Severity Of Inflammatory Bowel Disease (IBD) A Double Blind Control Study.

Dr.MH.Emami, Masjedi Marjan

Research thesis. my position: Supervisor.

Level: MD

Place: Isfahan University of Medical Science
